

ILLINOIS FIRE SERVICE HOME DAY

Join us at the 14th annual "Home Day"! This year Home Day will be held at the MABAS Readiness Center. Come and experience what the funding for Disaster Preparedness has proudly provided!

You will have the opportunity to introduce yourself to over 100 fire service leaders, and the managers of 20 fire equipment manufacturers who represent roughly 100,000 employees in the state of Illinois. Illinois Fire Service representatives will also give an overview of what this funding has meant to the fire service and will have equipment on display purchased through funds from the Fire Act Grant during the past 18 years. This event is sponsored by the Metropolitan Fire Chiefs Association of Illinois, which has partnered with the Fire Apparatus Manufacturers' Association (FAMA) and the Fire and Emergency Manufacturers and Services Association (FEMSA). The Metropolitan Fire Chiefs Association has also formed alliances with the Illinois Fire Chiefs Association, Mutual Aid Box Alarm System (MABAS) International Association of Fire Chiefs (IAFC), the National Volunteer Fire Council (NVFC), and the Congressional Fire Services Institute (CFSI).
