

October 3, 2022

Dear Associate Member:

The holiday season is rapidly approaching, and preparation of the Annual Metropolitan Fire Chief's Installation Luncheon is well under way. This year our gathering is set for Thursday, December 1, 2022 and we are honored to come together once again for this noteworthy gathering.

We look to you, our "Associate Members" to unite with us to help with donations and help defray the cost of this exceptionally annual popular event.

It is through your kind support that we are able to continue this great tradition.

We encourage your charitable assistance this year and in return, each table will proudly display your business or organization's name on our contributor list throughout the entire luncheon.

It is of the utmost importance that you please contact me on or before Monday, November 28, 2022 to advise me of your donation so that all contributors may be praised and appreciated at this year's event. You may contact me via email: FFriedl@beachparkfd.org or (847) 662-2642.

Please forward your MFCA Installation 2022 Donation in care of Deputy Fire Chief Friedl, Beach Park Fire Protection District, 3233 N. Lewis Avenue, Beach Park, IL., 60087 or donate on-line at <https://metrochiefs.org/events/>.

Yours in Safety and Protection,

Fred N. Friedl III

Deputy Fire Chief Fred N. Friedl III
Director
Metropolitan Fire Chiefs Association
